

Booking by Phone

To place a booking via phone, dial **1300 369 206**.

You will always speak with a real person between the hours of 5am and 11:30pm, never an automated service. They will personally take the details of your request and enter your booking into our system.

If you contact us outside of our normal office hours you will be required to leave a voice mail detailing your request and we will return your call by 5:30am.
